The Best Electric Motor Starter The Finest Electric Lighting System Combined only in the **Locomobile**

at the same price.

The L.S. REMSON MFG. CO., 1110 Bedford Ave., Brookiya, N. V.

The Locomobile Electric Lighting System gives most light. Always works. Consumes least power. Provides most light at lowest speed. Most efficient regardless of cost. Every detail worked out in the best way known. Costs far more than other systems and is the only installation of its kind.

The Locomobile Electric Motor Starter is the most powerful one in use. Simplest system. Rotates motor even if it stops on dead center. Works every time. Operates most quietly. Best installed system in usc. The installation of starter is as important as the starter itself. Each model with this device lists at One Hundred Dollars more than 1913 prices as announced.
